Groups are welcome at the Gardens!

Discounted admission is available to groups of 12 or more. With two weeks notice, a guide may be provided for your Gardens tour.

Most groups take one and a half to two hours to see the Gardens and visit the store and nursery. You may decide to stay close to the entrance and view the display gardens, or you may choose to continue your walk all the way through the natural areas to the ocean bluffs, a round trip of about a mile.

Our restrooms and main trails are accessible to wheelchairs, and four electric carts are available on a first-come, first-served basis. Many benches are provided as resting points.

Picnic tables are located throughout the Gardens. During the summer months, Cowlicks food stand is open daily for ice cream, drinks, and light lunch items.

Parking is available for cars, vans, and sometimes buses, in our parking lot. For busy times, there is an overflow lot south of the bright yellow building south of the Gardens. Buses should unload in front of the Gardens entrance before parking in the overflow lot. Parking is free of charge.

Fees:

For adults and seniors our group rate is \$5 per person.

For school groups (K-12), we suggest a donation of \$1 per person, both for students and the adults who accompany them. One adult must accompany each six elementary children on a tour; one adult must accompany each eight older children.

Please give us at least two days notice to take advantage of the group rate. No more than two tours will be scheduled in one day, with at least two hours between them.

Docent led tours:

If you would like a docent to lead your group on your tour of the Gardens, please give us at least two weeks written notice. You should schedule one docent for up to 25 people. A \$25 deposit per docent is required. **We will schedule the docent after the deposit is received.** The deposit is forfeited if tours are cancelled with less than 72 hours notice. Docents will wait up to one half hour for late arriving groups; the deposit is forfeited after one half hour.

If a docent cannot be provided for your tour, the Gardens will let you know one week ahead of your scheduled tour.
